

# International Conference on Communication Engineering and Technology (ICCET 2018)

## Topics

Track 1: Network and Wireless Communication

Track 2: VLSI Circuits and Systems Design

Track 3: Information Hiding and Watermarking

Track 4: Multimedia

Track 5: Network and Information Security

Track 6: RF Front-End Circuits and Systems

Track 7: Intelligent Mobile Device Design

Track 8: Coding and Signal Processing

Track 9: Wearable Technology

Track 10: Microwave/MM-Wave/THz Circuits and System

Track 11: Internet of Things and Big data

Track 12: Computer Vision and Artificial Intelligence

Track 13: 5G Communication and Network

Track 14: Green Communication Systems

Track 15: Communication Device Modeling

Track 16: EMC and Antenna Design

## Keynote Speakers

**Prof. Maode Ma**

Nanyang Technological University,  
Singapore

**Prof. Dr. Shum Ping**, OSA Fellow

Nanyang Technological University,  
Singapore

## Venue

Nanyang Executive Centre in NTU

## Indexing

**Ei compendex, Scopus**

 Engineering Village

 ELSEVIER  
SCOPUS

## Contact Us

**Milley X. Q. Hu**
